Weeds: Frank Dyson said the treatment helped the algae. There is a new weed called aledia and starry stonewort is a big problem. They will keep checking the lake. If weeds look bad in the deep water, they will ask DEQ for permission to treat it. They treat the water about 100 feet from the shoreline. It takes a while for the chemicals to kill the weeds. Leave a message on the phone if you need to contact Frank.

Home Tour: We will start at noon from the White Lake Inn. There will be 101 people on the tour. Boats will have up to 14 people on a boat. Jack has worked out a schedule for the 8 boats.

Fund Raising: Lenny is has had good merchandise sales. He has been getting many donations for the boat parade.

Sheriff: Out one weekend in June due to weather. There were complaints about a double decker boat making noise late at night (3 or 4 in the morning). The sheriff will not put a boat out in the middle of the night unless for an emergency.

Jane Benner, who lives at 2945 Venice Dr. ,said a new neighbor, at 2928 Tess Dr., has 5 lifts and up to 10 boats docked and parties all weekend. They were told to call police to see if they can do anything. Tom will contact Tricia Pilchowski to see if there is anything they can do. The neighbors have to watch and if the boats are left longer than 72 hours, sign a complaint. The ordinance officer should then be able to write up an ordinance violation.

Fireworks: We need to verify using the launch area at Seven Harbors. Balance of \$12,500 due. Rain day is July 9th. Next year's cost is \$18,000. We will ask for June 30th. Rain day July 1st or 7th.
